

## **Haiti Fund (Codep)**

The Haiti Fund ministry is dedicated to the work done by the Comprehensive Development Project (CODEP) in the country of Haiti. It seeks to serve Jesus Christ under a covenant between the Episcopal Church of Haiti and the Presbyterian Church (USA).

CODEP focuses on several efforts including watershed rehabilitation, economic development, education programs, and health initiatives. Its support facility at L'Acul serves not only as the headquarters for the work of CODEP, but also as the residence for missionaries and as a guest house for visiting groups.

This is a year-round, ongoing ministry.
